

I am delighted to write this letter in strong support of Majed Wadi Alshammari for a position within your organization. I have had the privilege of teaching and mentoring Mr. Majed over the past two years in our specialized information security program.

During this period, he has consistently demonstrated impressive intellectual curiosity, maturity, and commitment. He has distinguished himself as a highly promising candidate through several notable professional qualities:

Academic Achievement: He has consistently attained top grades, reflecting a strong work ethic and a thorough grasp of fundamental information security concepts.

Problem-Solving Skills: He shows a genuine enthusiasm for project-based work, repeatedly demonstrating the ability to convert complex cybersecurity theories into practical, effective solutions.

Professional Dependability: I have observed him to be attentive, organized, and diligent, approaching both departmental and academic responsibilities with a strong sense of accountability.

Team-Oriented Approach: In addition to his technical abilities, he actively contributes to discussions, participates in hackathons and extracurricular activities, and supports his peers, indicating he will adapt well and contribute positively within a professional team setting.

I am confident that Mr. Majed will be a valuable addition to your organization. His solid technical foundation, combined with his proactive and hands-on mindset, makes him an excellent candidate. I fully support his application and believe he will continue to make meaningful contributions.

Dr. Shahid Alam
Assistant Professor
Department of Information Security
College of Computer Science and Engineering
